Dabangg 3 became the first Bollywood film to be released in Kannada after the ban on dubbed Kannada films was lifted in the state of Karnataka. It opened very much. "We've all been waiting for this day and we're glad it's finally happened." Dabangg 3 director Ramesh Roshan said. "When I first saw this film on screen, I was stunned and took my breath away because it was like one of the Dancers. I was like in a fairy tale." "I don't want to say too much before filming. But I promise you that this will be the best film ever made in Kannada," he says.
