Breathing fire into existence on the corner of University and Walnut, Propaganda is a three-piece band featuring a post-hardcore/metalcore sound. Reducing the metalcore genre to a few rudimentary rules, the band creates an anthemic, melodic, and energetic sound on their new EP, In Praise of God, released on January 14th on limited edition colored vinyl through Rockville Records. Heavy on the hardcore riffs and melodic breakdowns, the EP displays the band's wide-ranging

---

musical prowess and the tight musical execution that made them one of the top unsigned bands in Southern California.

When Props asked guitarist/vocalist Kevin Hanley for a quote, he said, "I like a lot of stuff. I really just like heavy music. I like to hear it sung. I also like the fact that I can play anything at a decent level, and not have to worry that I don't know what I'm playing. If I'm playing the first thing I think of, I
