"I'm one of the kids who had no idea there are other games like this out there, so I'm very grateful for this game's existence." "This is without doubt the most well written game I have ever played, and I just wanted to say thank you. Thank you for giving me the story, and that would be enough, but you've given the players a real playable world which will create a bond between us and the game. This has been a dream of mine to play a game like this since birth and I'm very, very glad you have allowed me to have this opportunity." "I think it's just a great game in every way, whether you're an older player or a newer player. If it weren't for this game, I'd be very, very sad." "This game could be the greatest RPG I've played or even influenced my dream of creating my own game, which now seems a little further away than it was." "You've brought a dream
