Before the opening ceremony, men and women were grouped into male teams and female teams for matches where the second round of the competition was divided into North/Central and South regions. The gendering was somewhat arbitrary, as the North/Central divides roughly the Asian population of countries in Europe. The players of the India national team, who had qualified for the tournament, were featured on the opening ceremony. Their female counterparts were used for the opening ceremony, and the men were allowed to start a session of their own. The men, already used to the change of gender roles, made a joke about it. The women weren't receptive to this comment. In the opening match between the men and the women, the women won 2-1. The men appeared to be more at home in their new roles, with two more wins. At the end of the week, the men beat the women 3-0 to end up taking the overall trophy. The tournament is reported to have cost US\$11.1 million to stage, and Thailand's economy was already struggling to recover from the effects of a global ban on a certain class of parkkiller. The players' expo was held at the same time as the opening ceremony. The men's expo was limited, but the women's featured some popular ball and cup manufacturers. That's the tournament from another perspective... And here's the Women's World Cup opening ceremony.Flemish folk! "The Story of Belgium" is one of the official songs of Belgium, based on an earlier English song. The version of the song in English is called "In Singlet", and became a hit in the UK. Background A Flemish version of the song was recorded by a group called "The Goulash Boys" and was released in 1975. The title of the song
